

Medication Form 2023-2024

Staff members are allowed to administer over the counter medications (cough medicine, Tylenol, etc.) with the written consent of the parents. Administration of prescription medications requires a signed note from the student's physician, written consent of the parents, and must be in the prescribed container.

Parents may fill in the form below or write and sign a note if sending in medication.

I allow an employee at Holy Cross Catholic School to administer the following medication(s) to my child:

Child's Name: _____

Parent Signature: _____
