What is Cinco De Mayo Really?

Next week is Cinco de Mayo, but what is the real celebration behind this day? The significance of Cinco de Mayo is that it represents Mexican resistance to foreign intervention. It is a moment where Mexico as a young nation rallied to defend itself. Cinco de Mayo marks the triumph of the Mexican army at the Battle of Puebla on May 5, 1862. This is over 50 years after the Mexican Independence Day, which is celebrated on September 16.

Cemetery/ Columbarium:

Many people feel it can be a great help to their grieving family members if the desires of the deceased were planned by him/herself before the time of death. Whether cremation or burial is chosen, consider Holy Cross as yours or your loved one's final resting place. Many people are not aware that the proper practice for cremation is to place the cremains in the columbarium or bury them in the cemetery. If members of our community have the cremains of a loved one in their home, or another place other than the cemetery, they should make arrangements to give their loved ones a place to rest in the columbarium or cemetery with the proper prayers of interment.

Holy Cross Catholic Cemetery plots/niches are available whether burial or cremation is your choice. Contact Louis Raineri 573-259-8920 or the parish office for more information. Sacred Heart in Leasburg and Mount Calvary in Bourbon.

Baptisms & Weddings:

If you are planning a Baptism, there is a preparation class. Please speak with Sister Karen to schedule. If you are planning a wedding, please contact Father Dan. There is a preparation that needs to be done 6 months prior to the wedding.

Funeral Dinners:

If you are interested in helping with the funeral dinners, please call the office. You will be called upon when a funeral dinner is requested. Help with bringing food, set up, or clean up! Please consider this ministry of the church so we can provide for our grieving families.

Breaking the Silence of Abuse:

As a diocese, we are committed to breaking the silence of abuse. When someone is reporting abuse, we must

acknowledge their pain and how difficult it is to talk about it. False allegations are very rare. Our initial response to someone who is disclosing abuse for the first time must be compassionate. For those who need to report abuse, encourage them to contact our Victims Assistance Coordinator, Jacqueline Baldwin, (573-694-3199) and to make use of the appropriate State of Missouri hotline (1-800-392-3738) or the [Attorney General's clergy abuse online form](#). All of this information is also on our website, under the 'report abuse' tab. For those who want information, or want you to convey a message to Bishop McKnight, please encourage them to write to us at reportabuse@diojeffcity.org.

Civilize it!

Our political discourse has become increasingly rancorous and bitter. The U.S. bishops began a campaign leading into the 2020 election to restore civility to our public and political discourse called Civilize It: Dignity Beyond the Debate. The Missouri Catholic Conference highlighted the campaign last year with a special episode of MCC from the Capitol with Archbishop Mitchell Rozanski. This year, the U.S. bishops are again challenging the faithful to answer Pope Francis' call to seek "a better kind of politics, one truly at the service of the common good." Civilize It: A Better Kind of Politics encourages people to commit to seeking the truth, building bridges, and finding solutions together that promote the common good. Individuals can sign the pledge, and sign up to receive additional materials, by visiting the USCCB Civilize It webpage. www.usccb.org/civilizeit

Prayer to the Immaculate heart of Mary:

O Immaculate Heart of Mary, we entrust ourselves to you, Health of the Sick. At the foot of the Cross, you participated in Jesus' pain, with steadfast faith. Patroness of the Diocese of Jefferson City, you know what we need. We are certain of the power of your intercession, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us: He who taught us to "love one another, as I have loved you" took our sufferings upon Himself and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Bring under your mantel of protection all who provide care for the sick and minister to their needs, as your Son implores us to do for one another.

V. We seek refuge under your protection, O Holy Mother of God.

R. Do not despise our pleas and deliver us from every danger, O glorious and blessed Virgin. Amen.

Jefferson City Diocesan Women's Ministry:

The Women's Ministry of Jefferson City was established to help the women of our diocese connect with each other so that we can support each other in our spiritual journeys. We find inspiration and comfort in praying with each other, in talking with each other, and in sharing the stories of our faith journeys.

FOR YOUR MARRIAGE

Preparing for a Great Marriage:

The Catholic Church teaches that marriage is a covenant, a contract and a bond between a man and a woman that forms a partnership for life. The marriage bond is a unique and exclusive relationship between husband and wife for the sanctification of the couple and for the procreation and Christ-centered nurturing of children in a family.

The family, with its foundation in marriage, is a fundamental unit of the Church. Marriage is also a basic social institution of human society. Marital love is at the service of the couple, the children, the community, and of the world. Because of its timeless importance, the Church teaches that marriage between two baptized Christians is a sacrament, a source of grace and a sign of God's love for the world.

Every sacrament needs preparation for its fruitful celebration. The Church wants to ensure that those entering the life-long commitment of marriage are adequately prepared for the riches and the responsibilities that are intrinsic to it. This is why the Diocese of Jefferson City has a policy for marriage preparation. It is not to make the couple "check the boxes" or "jump through hoops." In her efforts of remote, proximate and immediate preparation, the Church is not trying to make it more difficult to get married, but rather provide the best opportunity for equipping the couple to live a shared life of love, compassion and nurturing grace.
